

Index to Civil Aeronautics Journal, Volume 5

[January 15—December 15, 1944 Inclusive]

	Page		Page
A		Alaska:	
Accident Reports.....16, 28, 40, 46, 64, 69, 79, 99, 104, 118 130,	142	Air Mail Route First Business Before CAB Office.....	111
American Airlines Crash, Trammel, Ky.....	69	Air Service.....	42
Year's Crash Record.....	107	Holiday Land for Private Fliers.....	102
Aeronautical Charts:		New CAB Office Will Conduct Hearings.....	91
List of Agents.....	119	Aviation Medicine:	
War Dept. Modifies Sale Regulation.....	131	Herbolsheimer Compares Physical Standards of Civil and Military	
Aircraft and Flight Engineering:		Airmen.....	117
Factors Affecting Climb of Transport Craft Covered in Reports.....	20	Medics Discuss Flier Exams.....	117
"Manual of Procedure".....	45	Stovall Speaks Before Medics at St. Louis.....	90
Reports made Available.....92,	106		
Airlines:		B	
Air Service in Alaska.....	42	Barnes, Irston Robert—Named CAB Economic Director.....	102
Army Sends DC-3's to Domestic Lines.....	66	Burden, Wm. A. M.:.....	
CAB Airline Statistics—1938-1942.....	56	Airport Needs.....	98
CAB Decides Against Load Increase.....	66	Appointed Asst. Sec. of Commerce.....	32
CAB Hears Applications for World-Girdling Transportation.....	129	Free Transit Vital in Tomorrow's Air Commerce.....	76
CAB Names Committee on Multiple Taxation.....	127	International Aviation Conference.....	113
Market Survey Shows Future for Airborne Produce.....	114	Passengers, Not Freight, Big Item in Future Air Traffic.....	126
Multiple Aviation Tax Study Ordered by Congress.....	127	Post-war Flying.....	55
Operating Revenues Increased.....	23	Private Flying Problems.....	115
Operating Weight Increased.....	23	Reconversion Plans for Aviation Industry.....	92
Passenger Fares Cut.....	51	Tomorrow's Aviation.....	
Ryan Discusses Multiple Tax.....	143		
War Changes Permit Start of New Service.....	113	C	
Warner Sees Air Cargo as Small Item of Post-war Shipping.....	126	CAA Answers.....77, 90, 105, 118, 128,	140
Weight Load Hearing.....	33	Cary, Charles O.—Succeeds Reilly.....	90
Air Mail:		Citations:	
All-American Serves Athens, Ohio.....	61	AAF Officer Praises Communication Station at Sinclair, Wyo.....	13
All-American Serves Philadelphia.....	19	Army Fliers Thank CAA.....	75
Over Billion Stamps Sold in 1943.....	41	CAA Praised.....	66
Air-marking:		Global Army Radio Network Credited to CAA Assistance.....	20
Army Lifts Ban.....	103	Stimson Praises Two CAA Men.....	101
Nation's Sign Painters Start Work.....	124	Tower Operators Praised.....	107
Airplanes:		Civil Aeronautics Board—Proposed and Official Actions:	
"Airplanes—The Metals, Fuels and Lubricants" (movie film).....	86	Asks Comments on Revisions.....	129
Burden Outlines Reconversion Plans for Aviation Industry.....	115	Asks Rules Revision Comment.....	93
Can Be Rented by Private Fliers Again.....	30	List of Air Regulations and Amendments	
Cargo Glider Trains.....	105	14, 28, 38, 50, 62, 74, 85, 93, 111, 123, 135,	150
Category Listings for Designs Studied.....	53	New Alaskan Office Will Conduct Hearings.....	91
Certificated Aircraft, Engines, Equipment.....2, 37, 45, 61, 81, 123, 133,	130	Ninety-eight of Foreign Origin Get Pilot Licenses.....	135
Conversion Instructions for Military Craft.....	114	Orders.....3, 25, 36, 47, 60, 72, 84, 96, 110, 122, 134,	149
Defense Plants Corp. Takes Over Sale of Surplus.....	139	Pilots Need CAA Permit to Fly into Cuba, Mexico.....	68
Geisse—"Safe Utility Plane Will Stay Sold".....	56	Proposes Simpler Pilot License Rules.....	43
Helicopter Identification.....	76	Regulations (new Parts and Amendments)	
Hints on Plastic Windshield Repairs.....	44	4, 25, 37, 51, 61, 73, 85, 97, 110, 123, 135,	149
Lap-size Vibration Recorder Developed.....	112	Regulations—Proposed Air Traffic Rules.....19, 24	
Military Production Up.....	86		
New Propeller Acts as Brake.....	138	E	
Places WTS Planes Are for Sale.....	107	Education:	
"Private Planes Peacetime Necessity"—Stanton.....	89	Airport Management Course Inaugurated at Tex. A. & M.....	75
Private Type Sought at CAA Sales.....	100	CAA Shows "Lab" Aids for Air Education.....	104
Procedure for Pre-flight Factory Checkup Changed.....	68	Preflight Exam Time for H. S. Students.....	54
Stall-warning Instrument Developed.....	77	Six States Endorse Flight Training for H. S. Students.....	117
Stanton Recommends CAB Ease Repair Regulations.....	55	Texas A. & M. Starts Air Course.....	125
Stelle Discusses Problems of Makers.....	81	Exhibits—Sky-Roads.....	8
Twenty-five Thousand WTS Planes Sold.....	81		
Airports:		F	
Agencies Study Model Zoning Act.....	131	Foreign and Inter-American:	
Burden and Sommers Discuss Needs.....	98	Australians Study CAA Methods.....	57
CAA Establishes New Unit to Study Management.....	17	CAA Aids Establishing Air Facilities for World-wide War Duty.....	91
CAA Recommends 3,050 New Ports.....	100	First Inter-American Students Finish CAA Course.....	103
Cameras Record Runway Data.....	138	Fourth Inter-American Training Program Underway.....	131
Classification.....	100	International Aviation Conference.....	113
Construction of 41 Approved.....	78	Mexican Airline Asks Route to San Antonio.....	57
Design Trends Surveyed by New Unit.....	42	Neighbor Nations Send Men for CAA Training.....	135
Landing Field Facilities.....	81	Ninety-eight of Foreign Origin get Pilot Licenses.....	76
Officials Queried on Uniform Zoning Laws.....	116	Panagra Extension Outside CAB Scope.....	68
Planning Unit Created.....	75	Pilots Need CAA Permit to Fly into Cuba, Mexico.....	68
Port Officials Discuss Post-war Flying Needs.....	75	Uruguay to Modernize Airways.....	57
Post-war Flying.....	96	Uthuss Supervises CAA's Inter-nation Training.....	98
Safe Size for Airports.....	81		
Sec. Jones Opposes "Flight Strip" Bill.....	78	G	
Set up Merit Service Job Sheet for Manager.....	54	Gasoline—Aviation:	
Stanton Urges Planning of City Projects.....	18	CAA to Direct Ration for Civil Aviation.....	65
Study Made of Seaplane Harbors.....	45	NAA Wants Tax.....	109
Survey Outlines Building Plan.....	80	Problems Discussed by CAA.....	112
Turf Subject of Special Study.....	90	Rationing Put in Retailers' Hands.....	127
Veterans Will Look to Aviation for Jobs.....	65	Regulations Issued Covering Distribution.....	114
Washington National Given Security Award.....	54	Geisse, J. H.—"Safe Utility Plane Will Stay Sold".....	56
Wright Suggests Industry Help in Program.....	140		
World Air Traffic Port to Open in Washington.....	77	H	
Zoysia Grass Tested.....	41	Hawaii:	
Airships—World Service:		Beardslee Heads New Ninth Region.....	136
Air Traffic Control:		CAA Opens New Ninth Region.....	115
Army Asks CAA for Air Control Aid.....	136	Herbolsheimer, Dr. A. J.:.....	
CAA Tower Control to End in 23 Cities.....	53	Compares Physical Standards of Civil and Military Airmen.....	117
CAA Sends Men to Aid Brazilian Air Traffic.....	115	Speaks Before Medics at St. Louis.....	90
Comments Requested on Service.....	31	History:	
Cost Now 23 Cents a Plane.....	104	Compilation of CAA's War-time Achievements.....	18
Gilbert Discusses Control Before Scientists.....	129	Early Aviation Law.....	63
Heavy Pacific Traffic Calls for New 9th Region.....	115	Jobs of CAA and CAB Defined.....	128
Mobile Tower.....	17	Sky-Roads.....	8
New Weather Indicator.....	115		
Pilots Need CAA Permit to Fly into Cuba, Mexico.....	68	I	
Restricted Flight Zone on East Coast Narrowed.....	124	Insurance—Aviation—Three Groups Write 96%.....	42
Steps Taken to Reduce Traffic Delays.....	20	International Aviation Conference:	
Twenty-seven Ways to Improve Control Methods.....	30	Attending Conference.....	125
Airways:		Pattern for Global Air Traffic and Interim Council on Agenda.....	113
Aided by Communications.....	104		
Australians Study CAA Methods.....	57		
CAA Aids Establishing Facilities for World-wide War Duty.....	91		

	Page		Page
J		R	
Jones, Jesse H.: Construction of 41 Airports Approved.....	78	Radio: Aided by Communications.....	104
Opposes "Flight Strip" Bill.....	78	Study of Post-war Problems Resumed.....	102
K		Technicians Develop All-direction Radio.....	140
Kinney, James L.—Heads Air Carrier Division.....	80	Reilly, James Francis: Changes in Board Personnel.....	85
Koch, Al S.—Returns as Consultant.....	80	Succeeded by Cary.....	90
L		Routes: Air Mail Route First Business before Alaska Office.....	111
Lee, Josh Appointed CAB Member.....	20	Boston's Air Service Extended; New Routes Approved.....	81
Legal: CAB Names Committee on Multiple Taxation.....	127	Feeder Service to Texas Cities.....	2
High Court Stand on State Tax Case "Significant"—Ryan.....	76	Mexican Airline Applies for Route in U. S.....	86
Multiple Aviation Tax Study Ordered by Congress.....	87	Mexican Airline Asks for Route to San Antonio.....	33
Ryan Discusses Multiple Tax.....	143	National to Serve Key West.....	18
U. S. Air Control Upheld by Court.....	67	Panagra Extension Outside CAB Scope.....	76
M		San Antonio New Stop on American's Mexican Route.....	75
Mail Rates: Chicago and Southern.....	19	TWA to Serve Morgantown, W. Va.....	42
Delta, Northwest.....	2	Two Kansas Cities Get Additional Air Service.....	57
National, Braniff and Panagra.....	41	War Changes Permit Start of New Service.....	113
Moore, W. S.—Returns as General Inspection Chief.....	139	Western and United Apply for Route to Hawaii.....	65
N		Ryan, Oswald: Discusses Multiple Tax.....	143
Noyes, Blanche: Aerial Signpost System Adopted; Army Lifts Ban.....	103	Factors Affecting Cities' Air Growth.....	30
Nation's Sign Painters Start Work on Air Markers.....	124	High Court Stand on State Tax Case "Significant".....	76
Nunneley, Emory T.—Changes in Board Personnel.....	85	S	
P		Sommers, John E.: Airport Needs.....	98
Pilot Training: Air Power Needs to be Revitalized Annually, Claims Stewart.....	18	Tomorrow's Aviation.....	91
CAA Develops Devices for Testing Aptitude.....	7	Stanton, Charles I. Becomes Deputy Administrator.....	101
CAA Liquidates Contracts.....	141	CAA Agrees to Direct Gas Ration for Civil Aviation.....	65
Congress Votes Two Years' Extension of CPT Program.....	80	Dr. Stanton.....	80
Fourth Inter-American Training Program Underway.....	131	Lifting of Restrictions for Flights Outside Defense Areas.....	15
Magnetic Wire Helps Instruction.....	20	Post-war Flying.....	1
Scientists Discuss Aids.....	87	Predicts Increases in Civil Planes, Ports, Pilots.....	89
Six States Endorse Training for H.S. Students.....	117	Private Planes' Peacetime Necessity.....	87
Slow Up Your Breathing!.....	45	Recommends CAB Ease Private Plane Repair Regulations.....	29
Uthus Supervises Inter-nation Training.....	98	Shift-over to VHF Ranges Soon.....	80
War Pilot Accidents in Civilian Aviation Brings Action.....	98	Survey Outlines Port Building Plan; Small Fields Lead.....	92
War Pilot Sends Thanks to CAA.....	118	Tomorrow's Aviation.....	18
WTS Graduates Get Certificates.....	31	Urges Planning of City Airports.....	65
Planck, Charles E.—Alaska Holiday Land for Private Fliers.....	102	Veterans Look to Aviation for Jobs.....	56
Pogue, L. Welch—Blazing the Way for Our Part in Peacetime World Aviation.....	88	Statistics: Annual Airline Statistics—1938-1942—CAB.....	22
Publications—CAA: Aircraft Engineering Reports.....	106	Civilian Accidents in 1943.....	73
"Airplane Climb Performance," Report No. 3.....	20	Comparative Charts of Domestic Operations for 1941-1943.....	2
"Airport Design Manual".....	105	Comparison of Operations for the 6-month Period and Calendar Years of 1943 and 1942.....	147
"Airport Fire Manual".....	123	Domestic Air Carrier: Operations for Oct. 1943 through Oct. 1944.....	146
"Amendment to ANC-5".....	2	5, 21, 34, 48, 58, 70, 82, 94, 108, 120, 132.....	148
CAA Districts will Supply Technical Data.....	105	Domestic Air Carrier Statistics for Calendar Year 1943.....	127
"Digest of Civil Air Regulations for Pilots," Bulletin 22.....	22	Operating Revenues Increased.....	22
Flight Engineering Reports.....	92	Operations for First 10 and 11 Months of 1943 Compared with Same Period of 1942.....	35
"Glossary of Aeronautical Terms Spanish-English".....	129	Operations for 1943 Compared With 1942.....	147
List of Manuals.....	150	Operations for First 2, 4, 5, 6, 7, 8, 9, and 10 Months of 1944 Compared with Same Period of 1943.....	10
"Manual of Procedure".....	45	Progress of Civil Aeronautics in the U. S.—1936-1942.....	1
Standard Airport Traffic Control Procedures, Tests and Modifications.....	18	Seven Years' Growth.....	107
"The CAA-RTCA Instrument Landing System Tests and Modifications, Part II, Tests and Modifications".....	54	Year's Crash Record.....	86
"The Correlation of Aircraft Take-off and Landing Characteristics with Airport Size".....	81	Steinhauer, J. Earl—Leaves Washington National Airport.....	55
"The Effect of Air Temperature Upon the Rate of Climb of an Airplane Equipped with Constant Speed Propeller," Report No. 12.....	20	Stelle, Stanford I.—Problems of Plane Makers.....	18
"The Effect of Weight Upon the Rate of Climb of an Airplane," Report No. 10.....	20	Stewart, R. McLean: Air Power Needs Revitalization Annually.....	53
"The Establishment of a Restricted Area for Seaplane Operations".....	45	Resigns from WTS.....	91
"Turf for Airports".....	90	Stough, Raymond W.: Alaskan Office Will Conduct Hearings.....	86
"Wood Aircraft Inspection and Fabrication," AMC 19.....	67	Establishes New CAB Alaska Office.....	136
Publications—CAB: "Ackerman Air Service Et Al, Alaska Air Transportation Investi- gation," Opinion 60.....	115	Stovall, Dr. W. R.: Confers with Capt. Wiesener.....	90
"Aircraft Dispatcher Certificates," Part 2.....	15	Speaks Before Medics at St. Louis.....	33, 85
"Airplane Airworthiness," Part 04.....	18	T	
"American Airlines, Inc., Mail Rate Proceedings," Opinion 59.....	115	Tipton, Stuart G.—Leaves CAB.....	33, 85
Annual Airline Statistics—1938-1942.....	56	U	
Annual Report—1943.....	33, 44	Uthus, Bruce: First Inter-American Students Finish CAA Course.....	103
"Braniff Airways, Inc.—Mail Rates," Opinion 52.....	2	Supervises Inter-nation Training.....	98
CAB Reports, Vol. II.....	44	W	
"Caribbean-Atlantic Airlines, Inc.—Puerto Rican Operations," Opin- ion 57.....	56	Warner, Edward: Asks More Liberal View of Private Plane Airworthiness Standards.....	67
"Continental Air Lines, Inc., Et Al, Denver-Kansas City Service," Opinion 1.....	115	Frowns on Piecemeal Awards of Local Air Service.....	43
"Eastern Air Lines, Inc., Mail Rate Proceeding," Opinion 58.....	115	Sees Air Cargo as Small Item of Post-war Shipping.....	128
